

# Firm Foundations in the Early Years

A day for Headteachers, Senior Leaders, Early Years Governors on the key principles and effective practice in the Early Years.

During the day we will discuss:

- The key statutory and non-statutory requirements and how they inform practice in the early years, as well as exploring recent Ofsted research documents
- How effective environments and purposeful interactions from all staff can support and extend learning, as well as enable children to reach high levels of engagement
- Curriculum development and assessment in the early years
- How learning can be made visible in an early years classroom

The day includes the opportunity to visit the Outstanding nursery and Reception classroom.
