

# The Start of the Story: Early Years Practice for English Subject Leaders

1:30 - 3:00

18 MAY 2026

WEBINAR

**HELEN TATE**

As an English subject leader, it is important to have an awareness of early childhood development in all aspects of literacy, along with an understanding of how practice and provision supports and guides children through their developmental journey.

In this webinar you will explore:

1. The statutory requirements in the Early Years Foundation Stage, along with supporting materials
2. The developmental milestones that support early literacy
3. Effective learning environments and how they support development in language and communication, reading and writing
4. The role of the adult in ensuring children make progress in literacy
5. Audit tools to support the English Subject Leader in identifying strengths and possible considerations for developing practice further
